

# HALF REDEMPTION TICKETS

From the world's leading manufacturer of Amusement Tickets

## ARCADE 180 - HALF REDEMPTION TICKETS

### SPECIAL FEATURES

- Premium white finish on both sides
- High quality dust free paper
- High reliability and efficient ticket feeding and dispensing
- Crisp custom artwork print output
- Cost effective and economical

The Arcade 180 tickets are produced using premium white paperboard. The standard delivery format is 4000 tickets per stack and 50 stacks per carton. These tickets are economical yet premium in feel and finish.

These tickets offer high quality print output and provide for seamless ticket dispensing and feeding.

All tickets tested for QC on  
Deltronics, Benchmark  
& Galileo Machines
